Stick Seems to Be Recovering.

Frances, the 5-year-old daughter of Mr and Mrs. B. Frank Perry, who fell from the porch Sunday afternoon, is doing very well. Although all danger of infec tion was not over, it was hoped yester day that she would get along all right As little Frances fell, a piece of shrub-bery pierced one side of her throat, going through to the other side and injuring the windpipe. Probably the fact that her father was near and at once extricated the stick saved the child's life.

DON'T LOSE YOUR PUNCH

If you feel a growing dissatisfaction with life and ill health seems to threaten you without the symptoms of any specific disease showing, your nerves are probably undernourished because

your blood is thin. Take a moment to examine into your own case. Have you lost the ability to make a quick decision and take prompt action whenever necessary or do you worry and hesitate in indecision and consume an undue amount of time over things that you used to do quickly?

Are you prematurely old?

Don't let the arteries in your brain get hard. Don't let thin blood starve your nervous system. Proper diet for the first and a good tonic, Dr. Wil-liams' Pink Pills, for the second are what you need.

If you have any nervous troubles write today to the Dr. Williams Medicine Co., Schenectady, N. Y., for their little book on nervous disorders. It gives methods of home treatment and directions reachilled by the control of the contr directions regarding hygiene that every one should have. A diet book will

COPPER AND STEEL PRICES TO BE FIXED

The Allies Are to Buy at the Same Figure As That Given to the United States.

Washington, Aug. 8 .- The government about to lay a strong hand on "war profiteering." Prices of steel and copper are to be fixed to insure a "reasonable profit" to producers and a "fair bargain' for this government and the allies, it is officially announced.

President Wilson has informed the new war industries board" that the allies are to buy war materials in this country on the same terms as the United States. Blood profits" are not to be tolerated. The federal trade commission an-

nounced yesterday its report on copper prices will be before the president in two weeks. The cut in steel prices will be from

\$100 a ton and more now paid by the allies to approximately \$50 a ton. All purchases will soon be in the hands of B. M. Baruch, as official representative of all allies. He is now revising all contracts made in this country to insure
